

# Are You Ready to Discuss Your Packaging Options?

You need to work hand-in-hand with your packaging provider to make the right decisions for your products

- What shape or style bottle do you want?
- What size bottle do you need?
- What color bottle do you want?
- How will you close the bottle?
- What type of label will you use?
- What about secondary packaging options?
- What other helpful services could make my brand stand out?

We have put together some helpful information to get the conversation started!
